Subject: Residual - Best Qualified Error

Good Afternoon,

Came across two positions that should have been residual but were not coded correctly or pulled from the posting as requested.

Unfortunately, J. Baines and J. Robinson were awarded these positions as a result of this error.

Additionally, J. Robinson withdrew from position 71718683 in December and should not have been pending.

Therefore, they will remain their current positions below and the awarded positions will be coded residual.

If you have any questions or concerns, please let me know.
